

READY IN FALL . . . New Torrance headquarters for the Hughes Paint Co. at 230th St. and Hawthorne will be ready for occupancy by the end of September, President Louis Hughes of the firm said yesterday. The \$250,000 "paint supermarket" will be one of the most up-to-date do-it-your-

self discount paint stores in the state, Hughes stated. Other Hughes Paint stores are located in San Gabriel, Monrovia, Santa Monica, Redondo Beach, San Pedro, and at 5900 S. Western Ave., in Los Angeles.

A WINNER . . . Mrs. Bernice C. McDermont, of Sunland, smilingly receives the keys to a new car from radio station manager Jim Simons. The car, presented by the radio station and Paul's Chevrolet, was the prize in a recent contest sponsored by the station.

Resident to Appear in Dance Show

Gary LaSpina, 12, son of Mr. and Mrs. Joseph LaSpina, 4121 W. 179th St., is among the 60 young local dancers selected to appear in Tchaikovsky's famed "The Nutcracker" when that favorite ballet is resented full-length by the star-studded New York Ballet Co. in the Greek Theater of Los Angeles at 8:30 p.m. Friday through Wednesday nights, Sunday included, Aug. 4-9.

The youngsters, all dance aspirants with more than two years of competent training under professional instructors, will have the unique privilege of dancing with one of the world's greatest ballet organizations and under the personal direction of the famous choreographer George Balanchine. They will dance in the gala opening scene of the colorful Christmas party that provides motivation for some of the most spectacular solos and ensembles of the entire ballet repertoire.

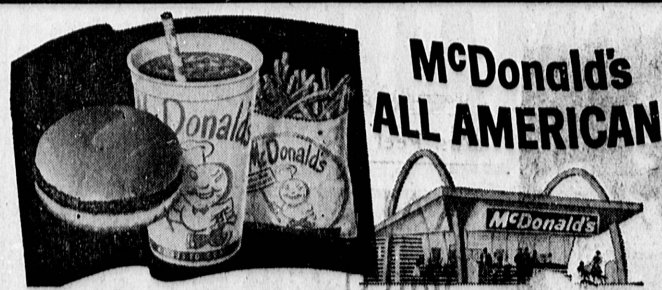

Garden Checklist

1. Continued pinching and feeding of Fuchsias will insure a prolonged bloom and vigorous full plants.
2. Petunias and many other annuals that are losing their first bloom can be cut back and fed to encourage a second show of color.
3. Sometime this month, you can plant winter sweet peas for color during the holiday season.
4. Soil should be banked around the trunks of citrus trees to prevent water from standing in contact with the trunk when you irrigate.
5. Feed camellias, azaleas and rhododendrons again this month with a complete acid food. Water it in well.
